Crown Polymers' Color Guides are a representation of the actual color. Every effort has been made to reproduce these color samples as faithfully as possible. Color variations between batches may exist. Colors may vary due to differences in surface texture, lighting, and methods of application. When ordering additional products **make sure you use the same batch number. You will find the batch number on the product label. Not all colors are available in all products. Refer to the Technical Data Sheets** for the color availability.
